***Hornets show they're
deserving of praise***

Key for Hornette harriers is health

by Keith Burall

The key for the Hinsdale South girls' cross country team this year will be good health.

Last season Coach Mike Madsen and his squad endured a season filled with injuries. "Last season was the most devastating I've ever gone through," said Madsen, who has lost only two runners off last year's team — Kim Erickson and Pat Barrera.

"I'm definitely hoping that this season will be a different one. This team is a veteran one. The one good thing that came

Faber

out of last season was that we had to run some girls we normally wouldn't have. I hope that will prove to be a plus for us this year," Madsen said.

The Hornette harriers placed third in the conference last season. This year the Des Plaines Valley League will be known as the West Suburban Conference Gold Division.

"Being in a new conference will add a different touch to the season," Madsen said. "Now dual meets will count — before they didn't. It might change the approach I take in a given meet."

Madsen is confident his team can do as well in the conference. "If we stay healthy we can place as high as second," Madsen said. "I know our conference will be competitive."

The Hornets will have to contend with defending conference champion Downers Grove South.

"You would have to rate Downers South as the favorite," Madsen said. "Downers has been in the top eight in the state for the last three years. But we can compete with the rest of the conference."

Downers South is rated No. 6 in pre-season polls. Last season the Mustangs placed fifth in state. They return all of their runners including Chris Slabich, who finished ninth in state last season.

But the Hornets have a top runner Madsen will be counting on for this season — senior Carrie Faber.

Faber placed 35th out of 160 runners at the sectional cross country meet last year but didn't qualify for state. Faber has been all-conference for three years and was the only one on her team to make it to the sectional.

"She is a very talented runner. We will be counting on her a great deal this season," Madsen said. "Last season she finished on a high note."

Helping Faber out will be senior Tina Pohl and junior Tracy Mondek, co-captains of the team this year. "Last year was Tina's first time out for cross country," Madsen said. "She has worked on her long distance running and should be a big help to us this season."

"Tracy hasn't practiced much with us yet this year but I'm not worried because she is an all-around athlete who has kept in shape. She will be a strong runner for us this year," Madsen said.

Juniors Noelle Cooper and Rachel Doepke will help the Hornets out this year. "Both have improved and have looked good in practice," Madsen said.

Sophomore Cindy Schelthoff will help bolster the lineup. Schelthoff was pressed into action last year because of injuries, and Madsen is counting on the experience she gained last year to help the team.

Junior Sherry Hovorka gained experience last season and should run well as should senior Nancy Seddon, who has been with the program for four years but has had knee problems. Madsen is hoping that she can stay healthy.

"The team is dominated as you can see by juniors and seniors, which is somewhat unusual for this team," Madsen said.

The cross country season will begin at 4:15 p.m. Tuesday, Sept. 2, against Lake Park, St. Patrick and Benet in a quadrangular. At 4:30 p.m. Thursday, Sept. 4, the Hornets will be at Proviso East.

At 9:30 a.m. Saturday, Sept. 6, is the Hornet-Red Devil Cross Country Invitational held at Katherine Legge Memorial Park in Hinsdale. At 4:30 p.m. Monday, Sept. 8, the Hornets will host Addison Trail.

"No doubt we have a busy schedule to open the season with," Madsen said. "I don't like such a busy opening start, but we

Preview
'87

will have to make do with it."

HORNETTE TIMES ... The top-rated team in the state, according to early polls, is Wheeling followed by York, Hersey, Palatine, Downers South, Downers North, Wheaton North, Schaumburg, Naperville Central and Hoffman Estates.

Madsen sees Hornette improvement

by Keith Burall

Early season success has come to the Hinsdale South girls' cross country team.

The Hornette harriers Monday knocked off Addison Trail 20-34. Last Saturday the Hornets finished fifth at the Hornet/Red Devil Invitational with a score of 106. In a triangular with Benet and Lake Park, the Hornets won with a score of 31. Benet had 40 and Lake Park had 57.

The solid showing by the Hornets has made Coach Mike Madsen very happy. "I'm happy so far," Madsen said. "Benet trounced us last year so it was great to open the season and beat them. Plus our times have been good so far."

The Hornets had a busy week. They ran in three events in just six days. This week the Hornets have just one meet — 9:30 a.m. Saturday, Sept. 13, with the Reavis Invitational.

"It didn't hurt us to run in a lot of meets so soon," Madsen said. "What it showed me is

who ran a lot in the summer and who didn't. It showed in the times."

Madsen is looking for his fourth through seventh runners to close the gap a bit. "The gap right now is too big," Madsen said. "We have a two-minute gap and we have to close that up."

On Monday, Carrie Faber placed first in 13:13, Rachel Doepke finished third in 13:43, Tina Pohl was fourth in 14:04, Cindy Schelthoff was sixth in 15:01, and Tracy Mondek finished seventh in 15:28.

At the invitational Saturday, Doepke was the highest finisher, placing 13th in 12:55. Noelle Cooper followed in 16th in 13:09, Faber was 19th in 13:20, Pohl placed 27th in 13:56, and Schelthoff was 33rd in 14:24.

Naperville Central won the invitational with 24 points. Hinsdale Central placed second with 64 followed by Bolingbrook with 92, Evanston with 96 and the Hornets.

In the triangular, Cooper was the first Hornette to finish as she placed second in 14:57. Faber was fourth in 15:23, Doepke

was fifth in 15:26, Pohl was ninth in 16:25, and Schelthoff was 11th in 16:35.

"I expect we will see improvement even more as the season progresses," Madsen said. "We need to train more now that we don't have so many meets to run in this week."

Madsen is looking to the conference meet with Willowbrook on Sept. 29 as a key meet. "I figure we should be battling it out for second with Willowbrook," Madsen said. "That's why that meet is a big one for us. I'm glad we don't run against them now. The couple of weeks we have to prepare will be good for us."

At the invitational, Madsen gave special praise to Cooper and Doepke for the times

they produced. "They became one of my fastest eight runners to run the Katherine Legge Memorial Park course," Madsen said. "I really thought we would place higher, but that tells you how tough the competition is getting."

Madsen has been very impressed with the overall talent he has seen in the early meets from all the teams his squad has faced.

"Cross country, as far as the girls go, has been getting stronger every year," Madsen said. "More girls are getting into the sport, which has made it very competitive."

Sherry Hovorka and Cali Kordewick have produced some solid times for Madsen in the early part of the season. Madsen is hoping they continue to run well.

42nd in 15:54.

"We finished about how I expected us to," said Hornets' coach Mike Madsen. "I thought that we might have finished maybe a little higher, but we got off to a terrible start.

"It was just a bad situation where it was too crowded on our side. We ended up having to pass a lot of people just to get back up where we did."

Another thing that didn't figure too well in the Hornets' finish was the unavailability of one of their top 3 runners, Rachel Doepke, who was in another city at the time of the race.

The Hornets will have a lot of time off prior to their next meet, which is a Saturday date in the Bloom Invitational in Chicago Heights. After that meet, the Hornets will take on Leyden Monday in Hinsdale.

HINSDALE SOUTH — For starters, this wasn't a good race for the Hornets.

The crowd of runners that was on the side of Hinsdale South numbered too many for them to have enough room to get going, which meant they had to cut across the field and attempt to play catch-up for the remainder of the race.

That explains why the Hornets finished 7th in the 17-team Reavis Invitational with 156 points.

Carrie Faber led the way with a 12th-place finish, completing the 2.2-mile course in 14:12; Noelle Cooper was 24th in 14:40; Tina Pohl was 37th in 15:39; Sherry Hovorka was 41st in 15:49; and Cindy Schelthoff was right behind her, finishing

Hornets set up showdown with Mustangs

by Larry Starks

There was more on Hinsdale South's mind Monday when it faced Morton in Hinsdale than just beating the Mustangs.

Of course, that was the task at hand, and the Hornets handled it without a flaw. But they also had Downers Grove South occupying their consciousness.

You see, by dropping Morton 18-41, the Hornets have set up a showdown between themselves and Downers South, the only 2 undefeated teams in the West Suburban-Gold.

"We were just looking to get through this meet and go undefeated until we see Downers South," said Hornets' coach Mike Madsen. "They placed better than we did against Morton, so it's going to be real tough."

It will be easier if the Hornets ran the way they did in this 2-mile meet. Carrie Faber was the 1st to cross the finish, doing so in a time of 13:02. Rachel Doepke was 2nd, finishing in 13:18; Noelle Copper was 3rd in 13:35; Cindy Schelthoff was 5th in 14:10; and Tina Pohl finished 7th in 14:17.

"They ran about as well as I would have expected them to.

Girl's Cross Country

We had run better against them when we saw them in the Niles West Invitational," Madsen said.

The Hornets will take part in the Rich Central Invitational Saturday in Richton Park.

Mustang showdown awaits Hornets

by Keith Buralli

The battle of two unbeaten teams will take place at 4:30 p.m. Tuesday, Oct. 14, as the Hinsdale South girls' cross country team takes on Downers Grove South.

Both teams are 4-0 in the West Suburban Conference Gold Division. The meeting will be the last dual meet of the season for both teams.

At 9 a.m. Saturday, Oct. 11, the Hornette harriers will be at the Rich Central Invitational, but it's the meet with the Mustangs that will take center stage next week.

"It will be very tough for us to beat them," Coach Mike Madsen said. "They (Downers) are one of the better teams in the area. It will take quite an effort to beat them, but we haven't thrown in the towel."

The Mustangs have a strong pack. "Their pack is less than a minute apart," Madsen said. We will have to run as well as we have all year."

Last week the Hornettes ran very well. They won an important contest from Willowbrook 26-29 and Monday won easily over Morton 18-41.

At the beginning of the year Madsen felt that it would be between the Hornettes and Warriors for second place, so the win was very important.

"The girls ran the best race of the year," Madsen said. "We started behind them at

the start but came on at the end in a very exciting race."

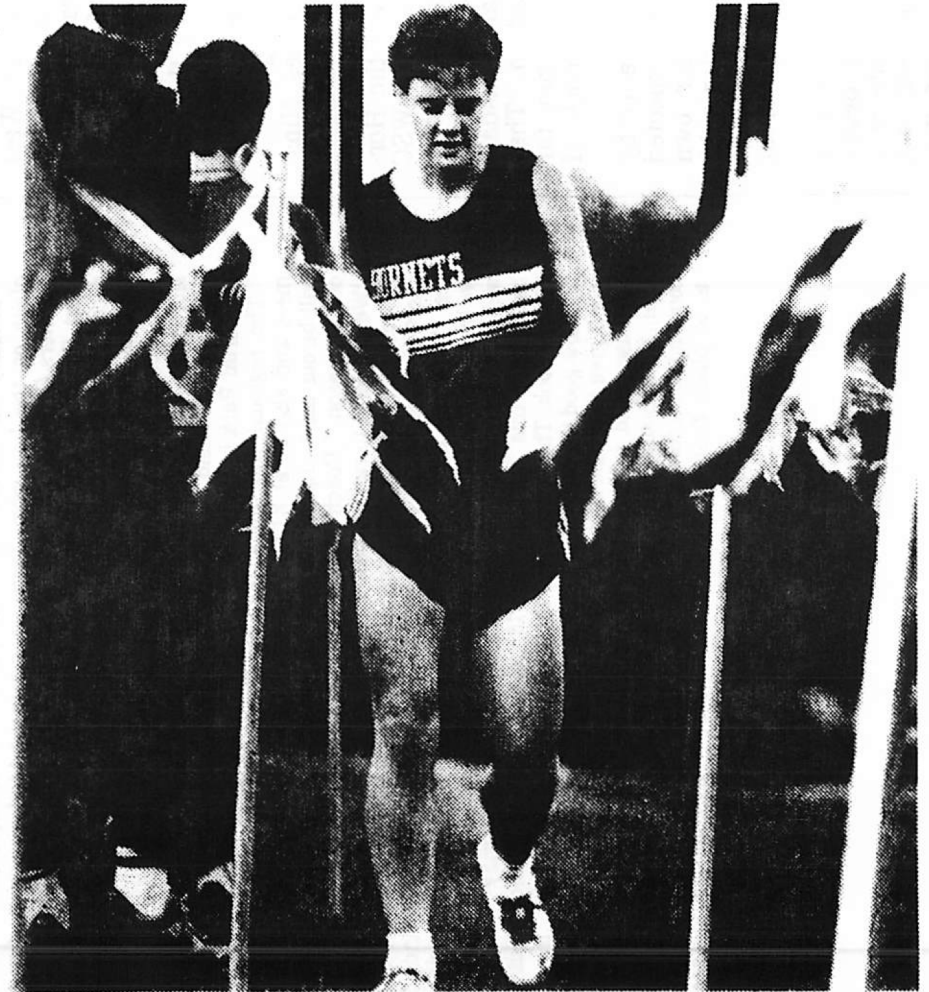

Madsen was worried at the beginning of the race. "I could see the race develop before me because you can see the runners pretty well on Willowbrook's course," Madsen said. "There was a lot of pressure on the team for this meet, and they did a super job."

Carrie Faber came in second with a time of 12:32, Noelle Cooper was third in 13:02, Rachel Doepke was fourth in 13:04, Tina Pohl was eighth in 13:41, Cindy Schelthoff was ninth in 13:48, Tracy Mondek was 11th in 13:53, and Cali Kordewick was 17th in 14:34.

"We needed to win that race in order for us to have a shot at the conference title," Madsen said. "But the meet was as close as I expected it would be."

Monday the Hornettes stayed in tune as they downed Morton. Faber came in first this time in 13:02, Doepke was second in 13:18, Cooper was third in 13:35, Schei was fifth in 14:10, Pohl was seventh in 14:17, Kordewick was ninth in 14:56, and Mondek was 10th in 15:10.

Sherry Hovorka was 13th in 16:14, Nancy Seddon was 14th in 16:24, Cathy Pratl was 22nd in 19:27, and Lisa Newkirk was 23rd in 21:38.

girls close in on title

Hornets, Mustangs set for race

By DAN JOHNSON

This is an area loaded with cross country talent, as will be illustrated Tuesday when Hinsdale South runs at Memorial Park against Downers Grove South.

Both schools are undefeated at both the boys and girls levels in West Suburban Conference Gold Division meets, so Tuesday's races will play a major role in deciding the Gold title.

"Basically, the dual meet is the equivalent of the conference meet," said Dave Jackson, coach of the Hornets' boys team. "Because of the new (WSC) rule, if we win, we can no worse than tie (for the divisional lead)."

Jackson's scenario assumes Hinsdale South and Downers South run one-two in the conference meet. Considering the Mustangs' and the Hornets' domination over the other WSC Gold schools, that's a safe assumption.

"They (the girls) know we're both going in undefeated," said Hinsdale South girls coach Mike Madsen. "They also know they'll have to run far beyond what they've run to knock off Downers South."

The Downers South girls are led by Becky Mizener, who wasn't expected to be the best runner in her own family. However, when injuries sidelined her sister, Lori, and Chris Slabich, Becky stepped to the front and has stayed there.

Tuesday, the Downers South girls defeated Willowbrook 18-43 as Becky Mizener, Kim deBuhr, and Tina Stec ran one-two-three. The Hornets beat Morton 18-41 as Carrie Faber was first, Rachel Doepke second, and Noelle Cooper third.

seek WSC crown

Tall order awaits Hornette runners

by Keith Burall

A tall order awaits the Hinsdale South girls' cross country team these next few weeks.

Tuesday the Hornette harriers put first place on the line when they ran against Downers Grove South. Both teams had 5-0 West Suburban Conference Gold Division records going into that meet and were tied for first place.

At around 10 a.m. Saturday, Oct. 18, the Hornets will brace for the conference meet to be held at Katherine Legge Memorial Park in Hinsdale.

The regional will follow the conference meet and also be at KLM. "No doubt this will be our most important couple of weeks of the season," Coach Mike Madsen said. "We will have to run the best that we can."

Seeing Downers South twice in just a few short days will be a tall order for the Hornets. "Downers will probably win the meet we have against them and the conference as well," Madsen said. "The highest total they have had this season was 18 against Willowbrook. That's how close their pack is and how good the team as a whole is. But we won't give them the crown."

Madsen said second place is a realistic goal. "We should end up no worse than second in the conference," Madsen said. "For us to place first we would have to beat

Downers South twice. Second place is more like it."

Getting out of the regional will be tough. "With teams like Downers North and Downers South on hand it won't be easy," Madsen said. "It's going to be hard for us as a team to advance, but it would be nice to get some individuals to state. If we stay healthy going into the regional, anything can happen."

Last week the Hornette harriers finished fifth at the Rich Central Invitational with 188 points. Homewood-Flossmoor was first with 35, followed by Andrew with 76, Crete Monee with 115 and Hillcrest with 151.

Carrie Faber, the No. 1 runner for the Hornets, was out of town for this meet. Noelle Cooper placed 12th in 12:30, followed by Rachel Doepke in 17th in 12:46. Tracy Mondek was 51st in 13:52, Tina Pohl was 52nd in 13:53, Cindy Schelthoff was 56th in 13:58, Cali Kordeckiw was 69th in 14:25, and Sherry Hovorka was 63rd in 14:59.

"We may have had a bit of a letdown," Madsen said. "But at the same time we didn't put much emphasis on this meet either. Had Carrie (Faber) run we might have taken fourth, but I'm satisfied with how we did."

"Right now everything rests in the hands of the runners," Madsen said. "All we can do is our best and see what happens."

Downers Grove South left little doubt of who the team to beat is in today's West Suburban Conference Silver Division meet at Katherine Legge Memorial Park in Hinsdale.

The Mustangs have won their league title for the past three years and they all but clinched another title when they outran Hinsdale South 15-46 in a dual meet Tuesday.

It was an awesome show of strength considering the Hornets entered the meet unbeaten in divisional meets, yet Downers South came within four points of recording a perfect score.

"They're a very, very talented group," Hinsdale South coach Mike Madsen said of the Mustangs. "We weren't run-

ning quite up to par, but there's no question Downers is a great team."

"All the girls are coming to a peak—Tina (Stec), Robin (Dziedzic)," said Downers South coach Bruce Thornquist. "We're still focusing on three weeks from now, which is the state meet."

Hinsdale south could tie for first by winning today's meet, but Madsen admitted his main goal now is to hold off Willowbrook for second place. Meanwhile, Thornquist has the luxury of anticipating individual, as well as team honors.

"Our team goal is to win it (the meet) and get seven all-conference (runners)," said Thornquist. The top 14 finishers will make the all-conference

team. Last year, Downers South had six all-conference performers and four of those—Dziedzic, Becky Mizener, Chris Slabich, and Jenny Lasek—will be running today.

Mizener has been Downers South's top runner, and she won Tuesday's meet by 20 seconds in 12:23. Stec, Dziedzic, Maria Cantu, and Lasek finished second through fifth, respectively.

Finishing in the top 10 for the Hornets were Rachel Doepke (sixth), Noelle Cooper (eighth), and Carrie Faber (ninth).

FORGING AHEAD — Noelle Cooper and Cindy Schelthoff run side by side during an earlier meet. At Saturday's West Suburban-Gold conference meet, Cooper took 9th in 12:53 and Schelthoff 20th in 13:39.

PLAYERS OF THE WEEK

Noelle Cooper of the Hinsdale South cross country team placed ninth at the conference meet last weekend and was the first Hornette to cross the finish line. The Hornets came in second in the conference meet and will brace for the regional this weekend.

All players of the week will receive either pizza or dinner from Papa Passero's Pizzeria and Sports Bar in Westmont for being chosen player of the week. Two forms of identification must be presented. Players are allowed to win only once each season.

HINSDALE SOUTH — When Hornet coach Mike Madsen sat alone and thought about Saturday's West Suburban-Gold Meet at Katherine Lagge, he didn't think that there was any way his team could finish 2nd in this meet — unless they rode their bikes.

That is because he had heard rumors that Willowbrook had such a tough team when healthy — which they were for this meet — and he figured that there would be no way on this earth the Hornets could come in ahead.

Good thing he didn't embarrass himself by relaying this information to his team members.

The Hornets put together the best times they have all season, finishing with 68 points and a 2nd-place finish in the conference.

"I was very pleased with the finish. All the girls ran extremely well," Madsen said. "I really didn't expect this to happen. Once I heard that Willowbrook was healthy, I didn't expect to beat them, even if we ran well.

"But the front 3 stuck together. This is the smallest split we've had so far. All the girls ran good times. It was a good meet for us, by far the best we've had so far."

It couldn't have come at a better time, nor on a better course. This is where the next 2 meets will be held, as there are decisions to be made as far as who will be invited to the state's final gala in Peoria.

Noelle Cooper's time on the Hornets' home course was indicative of the way the whole team raced. Cooper finished 1st among her team with a time of 12:53, easily her best time to date. It was the first time this season she finished ahead of Carrie Faber, the Hornets' usual number 1 runner.

"That was her best time on the course," Madsen said. "In fact, several of the girls had their best times on the course. They really peaked at the right time."

Finishing right behind Cooper was Faber, who completed the course in a time of 12:54, which placed her 10th. Rachel Doepke also finished in a time of 12:54, but was 11th. Tina Pohl finished 18th in 13:35 and Cindy Schelthoff was 20th in 13:39.

Since this meet is just a week away from the really big ones, Madsen knows that this is the best time the Hornets could have assembled such impressive times. For a while, he thought his team would have no chance of coming out of the regional, though he has had a change of mind since Saturday.

"If we run anything like we did on Saturday, we should be right in the running for the 4th or 5th spot, which will get us to the

Confident coach readies Hornettes

by Keith Buralli

A confident Hinsdale South girls' cross country team will head into regional play slated for 10:30 a.m. Saturday, Oct. 25, at Katherine Legge Memorial Park in Hinsdale.

Last week the Hornette harriers placed second with 68 points at the West Suburban Conference Gold Division meet. Downers Grove South won with 20 points.

The second-place finish pleased Coach Mike Madsen. "Actually, I was on cloud nine."

Madsen was thrilled that his squad beat out Willowbrook for second; the Warriors finished third with 70 points.

"We had no business finishing ahead of Willowbrook," Madsen said. "When we beat them in a dual meet they were missing their top runner, and we barely beat them, so to beat them in the conference meet is simply outstanding."

The top five teams will advance to the sectional, which will be run the following Saturday at KLM. Madsen is keeping his fingers

crossed that his team will make it out of the regional.

"Before the conference meet I wasn't sure if we could make it out of the regional," Madsen said. "But now I'm confident that we can be in the running for the top five spots."

Madsen thinks Downers Grove South, Downers Grove North and Hinsdale Central should have the first three spots down. "If we run like we did last week we should have a shot at the last two positions," Madsen said. "We ran as well as we are capable of running last week, and we will have to do it again this week."

At the conference meet Noelle Cooper finished ninth in 12:53, Carrie Faber was 10th in 12:54, Rachel Doepke was 11th in 12:54, Tina Pohl was 18th in 13:35, Cindy Schelthoff was 20th in 13:39, Kali Kordewick was 29th in 14:54, and Tracy Mondek Placed 33rd in 15:05. Sherry Hovorka placed 14th in 14:39 in a JV meet.

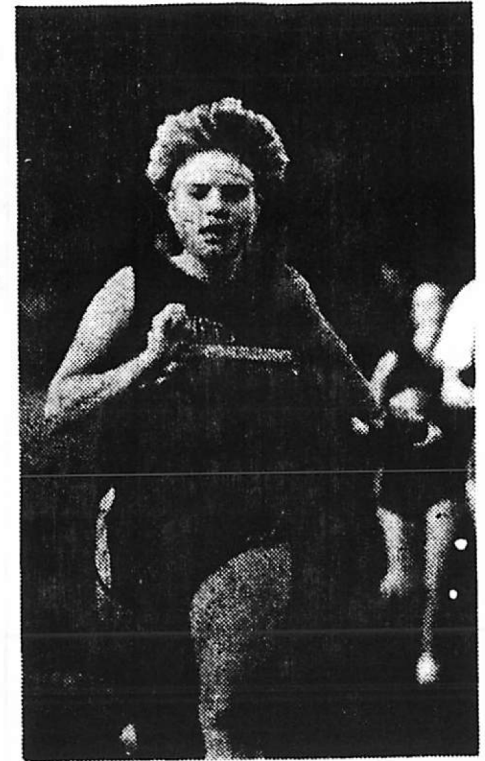

"Our top three runners really stuck together," Madsen said. "It's because of that that we finished in second place. But

our first through fifth runners had the best split of the season as well. You can't ask for more than that."

Madsen and his squad had set a goal at the beginning of the season. "That goal was to make it to the sectional," Madsen said. "Since the regional is run on a course that we are familiar with it should be to our advantage."

It has been a while since a Hornette cross country team has made it to the sectional. "It has been a few years at least," Madsen said. "The main thing is that we run a competitive race. If we do that we should be all right."

In an earlier dual meet last week the Hornette harriers lost to Downers South 15-46. Doepke was sixth in 13:05, Cooper was eighth in 13:18, Faber was ninth in 13:27, Pohl was 11th in 13:36, Kordewick was 16th in 14:32, Schelthoff was 17th in 14:36, and Mondek was 18th in 14:59.

Faber qualifies for sectional meet

by Keith Buralli

Carrie Faber of the Hinsdale South girls' cross country team will be the lone Hornet runner to participate in the sectional that will be run at 10:30 a.m. Saturday, Nov. 1, at Katherine Legge Memorial Park in Hinsdale.

Faber has qualified for the sectional in each of her four years at South, but has never made it past the sectional. Faber finished 12th overall at the regional Saturday at KLM with a time of 12:46. The Hornets as a team finished sixth with 160 points and just missed out on qualifying.

Downers Grove North won the regional with 49 points, followed by Downers Grove South with 56, Hinsdale Central with 76, Plainfield with 134 and Bolingbrook with 137.

Faber has been the only Hornet harrier in the last four years to make it to the sectional. "Carrie is going to have to run as well as she has done all year if she is to qualify for state," Coach Mike Madsen said. "This past week she ran faster than she did in the conference meet the week before. But she is going to have to drop her time more. I would say she has an outside chance of qualifying."

As for the team as a whole, Madsen figured his squad was going to have a tough time qualifying for sectional.

"Things went pretty much as expected," Madsen said. "Had we run as well as we did the previous week, we might have found ourselves in better shape."

The Hornets were pumped up for the conference meet that saw them finish second. "It's difficult to monitor what level of intensity a runner is at," Madsen said. "But to be honest with you I would rather have done well in the conference meet. Even if we had made it to the sectional it would have been hard to qualify past that."

The sectional will feature eight of the top 10 teams in the state. "The season as a whole was a good one," Madsen said. "It's hard to get up each week, but the girls did what was expected of them, and I can't ask for more."

Noelle Cooper finished 30th in 13:19, Rachel Doepke was 31st in 13:25, Tina Pohl was 44th in 13:56, Cindy Schelthoff was 50th in 14:12, Tracy Mondek was 59th in 14:44, and Kali Kordewick was 65th in 15:05.

"Tracy's (Mondek) time was the best she has done at KLM," Madsen said. "But what hurt us somewhat was that Rachel (Doepke) was sick the night before."

Madsen found out that he will be losing Cooper for next season. Cooper, a junior, will be attending Carl Sandburg next year. Cooper was the top finisher at the conference meet for the Hornets this year.

HINSDALE SOUTH — There was really only one way in which the Hornets had a chance to advance to the sectionals next week at Katherine Legge Memorial Lodge, an event they are hosting.

That would have been for them to run the same type of race they ran a week ago in the West Suburban Gold Divisional meet, where they finished 2nd.

If they would have ran in the same fashion, there would have been no doubt that they would have been invited to participate in the sectionals the following week.

However, as it turned out, the Hornets couldn't compete at the same level, and their punishment was a score of 160 points, placing them 6th and without a future this season. Bolingbrook, the last team to gain a berth to the sectionals, had a total of 137 points.

"I thought we would have had a chance to advance if we ran extra well," said Hinsdale South coach Mike Madsen, "but we ran O.K. If we would have ran as well as we did in the conference, we would have been close, but we just weren't able to repeat."

Of course, this meet wasn't a total loss. The Hornets did qualify one runner for the sectionals, Carrie Faber. Faber finished the 2-mile course in a time of 12:46, a time that brought her a 12th-place finish.

For Faber, it was the best she has run on the Hornets' home course, which they share with Hinsdale Central, this season. But Madsen says that she will have to have a better time yet if she plans on making the trip to the state meet.

"We'll hope that she'll run well at the sectionals, but it will be difficult," Madsen said. "There are an awful lot of good teams coming in and some of those great teams won't advance."

Faber falls short

Hinsdale South's Carrie Faber finished 99th at the sectional run at Katherine Legge Memorial Park on Saturday.

Faber didn't qualify for state, but she was the lone Hornette representative to run in the sectional. Faber's time was 13:54.

HINSDALE SOUTH — It could have been that something was in the air, or it could be chalked up to be one of those strange days that never happen to you.

Saturday at the sectionals at Hinsdale South, Carrie Faber,

the Hornets only entry into the sectionals, finished 99th in the meet, completing the race in a time of 13:54. But this was no different from the way a group of other girls that Faber is familiar with finished.

"She ended up running like a number of the other girls in the conference did," said her coach Mike Madsen. "Several of the best girls in our conference finished as she did. I don't know if it

was the terrific competition that got to them or what. It just wasn't a great day."

Especially for Faber. Last week in the 1st round of the state playoff series, Faber ran this same course in a time of 12:46, crossing the line almost a full minute better than she did on this Saturday morning.

"Just the idea of getting there is good," Madsen said. "She did run well the previous week."
